LONG BEACH, CA, May 07, 2024 **/24-7PressRelease/** -- Dr. Ritu Goel has been selected for inclusion in Marquis Who's Who. As in all Marquis Who's Who biographical volumes, individuals profiled are selected for current reference value. Factors such as position, accomplishments, visibility, and prominence in a field are all considered during the selection process.

Dr. Goel is a distinguished child, adolescent, and adult psychiatrist with over two decades of excellence in her field. As the Founder and Chief Executive Officer of MindClaire since 2023, she is dedicated to creating wellness systems by combining prevention and intervention techniques powered by emergent artificial intelligence (AI) and trusted, proven methods of mindfulness. In addition to being the strategic leader for her company, Dr. Goel spearheads the development of innovative mental health care for her patients while serving them in her integrative psychiatric practice.

*Dr. Goel also holds the crucial position of Executive Advisor for Wellness Initiatives at Occams Advisory, an award winning financial and professional services company.*

Dr. Goel also holds the crucial position of Executive Advisor for Wellness Initiatives at Occams Advisory, an award winning financial and professional services company. Additionally, she serves as an Executive Director at Child Literacy, a nonprofit dedicated to the social, educational, and psychological needs of children 6-18.

Dr. Goel's career is marked by significant contributions to child and adolescent psychiatry. From 2019 to 2023, she worked as a Child and Adolescent Psychiatrist at Kaiser Permanente, providing exceptional care to young patients in the critical COVID19 era. Previously, she had a private practice stint at Woodmont Psychiatric Association in 2018 - 2019. Ritu made academic contributions during her tenure on the Faculty of The Johns Hopkins University in the school of medicine from 2014 to 2017. Concurrently, she treated minors with developmental disability cases at the Kennedy Krieger Institute while participating in various clinical trials.

In 2001, Dr. Goel had earned a Bachelor of Medicine and Bachelor of Surgery from Sarojini Naidu Medical College in Agra. She moved to England to train in and practice psychiatry with the National Health Service (NHS) in England from 2003 to 2009. Her pursuit of specialized knowledge led her to a residency in general psychiatry at the University at Buffalo (UB) in 2012, followed by a fellowship in child and adolescent psychiatry in 2014. At UB, she notably served as a chief resident in the Division of Child and Adolescent Psychiatry. In preparation of launching MindClaire, Dr. Goel completed an executive program in AI at the Massachusetts Institute of Technology Professional Education in 2023. She is currently pursuing a Certificate in Integrative Psychiatry at Dream Practice Academy.

Dr. Goel's expertise in medical research, and clinical psychiatry has been widely recognized throughout her career. To remain abreast with the most emerging trends in her field, she is an active member of the American Academy of Child and Adolescent Psychiatry and a past member of the American Medical Association. Dr. Goel's commitment extends beyond clinical practice through various scholarly contributions.
